

Welcome to Panama City Beach!

We're proud to have you visiting the World's Most Beautiful Beaches. Use the guidelines below to ensure you have a fun and safe stay while in Panama City Beach.

NEW ORDINANCES

- All alcohol sales end at 2AM throughout the month of March.
- Metal shovels are not permitted on the beach, and any holes dug in the sand should not be deeper than 2 feet.
- You must have a valid ID (on your person) to consume alcohol on the beach.

SAFETY TIPS

- Travel in a group with friends.
- Feel comfortable approaching sand patrol officers. If you have concerns or questions regarding your safety on the beach, the police are there to help.
- Drink lots and LOTS of water while in the sun.
- Avoid people and situations that make you nervous – trust your instincts!
- Always be alert to your surroundings.
- Drink responsibly when consuming alcohol (21 years and older).
